Jashore, Khulna, Bangladesh

I'm a passionate UI/UX designer with 4+ years of certified experience, I use innovative design techniques to create usable digital products from branding to final product that strike a balance between business objective, user needs, & design trends. I'm a team player with a self-learning ability to resolve issues efficiently.

Work Experience

UI/UX Designer at Upwork

Currently I'm working as a freelance UI/UX designer at @Upwork since 2019. I've done 55+ projects and worked almost 100+ hours. I achieved top rated (top 10% of talent) badge on upwork

UI/UX Designer at Uptake

Uptake provides proctoring solutions to make the exam-taking process easy. My role is to research, sketching, wireframes, and visuals maintaining their design system.

Brand Designer at Kryptup

I worked at kryptup as a brand designer. I designed their brand identity, contents and provided all design elements to their marketing and ux team.
